YANTAI EDDIE PRECISION MACHINERY CO., LTD

EDT SERIES

HYDRAULIC BREAKER

Professional manufacturer Professional choice

YanTai Eddie Precision Machinery Co.,Ltd ("EDDIE") is a leading manufacturer of hydraulic breakers and attachments widely used in the construction, demolition, aggregate stone, and mining industries. We have listened to our royal customers to built all our models with their needs in mind. EDDIE's "EDT" brand full range of powerfully-constructed, adaptable breakers provide consistently high production, unsurpassed reliability, low maintenance, long working life and innovative features.

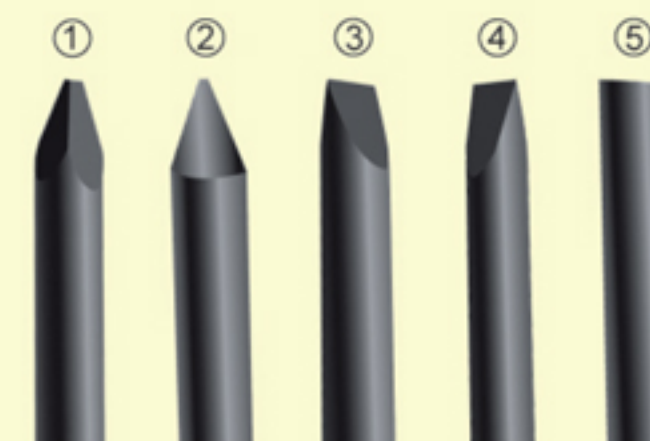

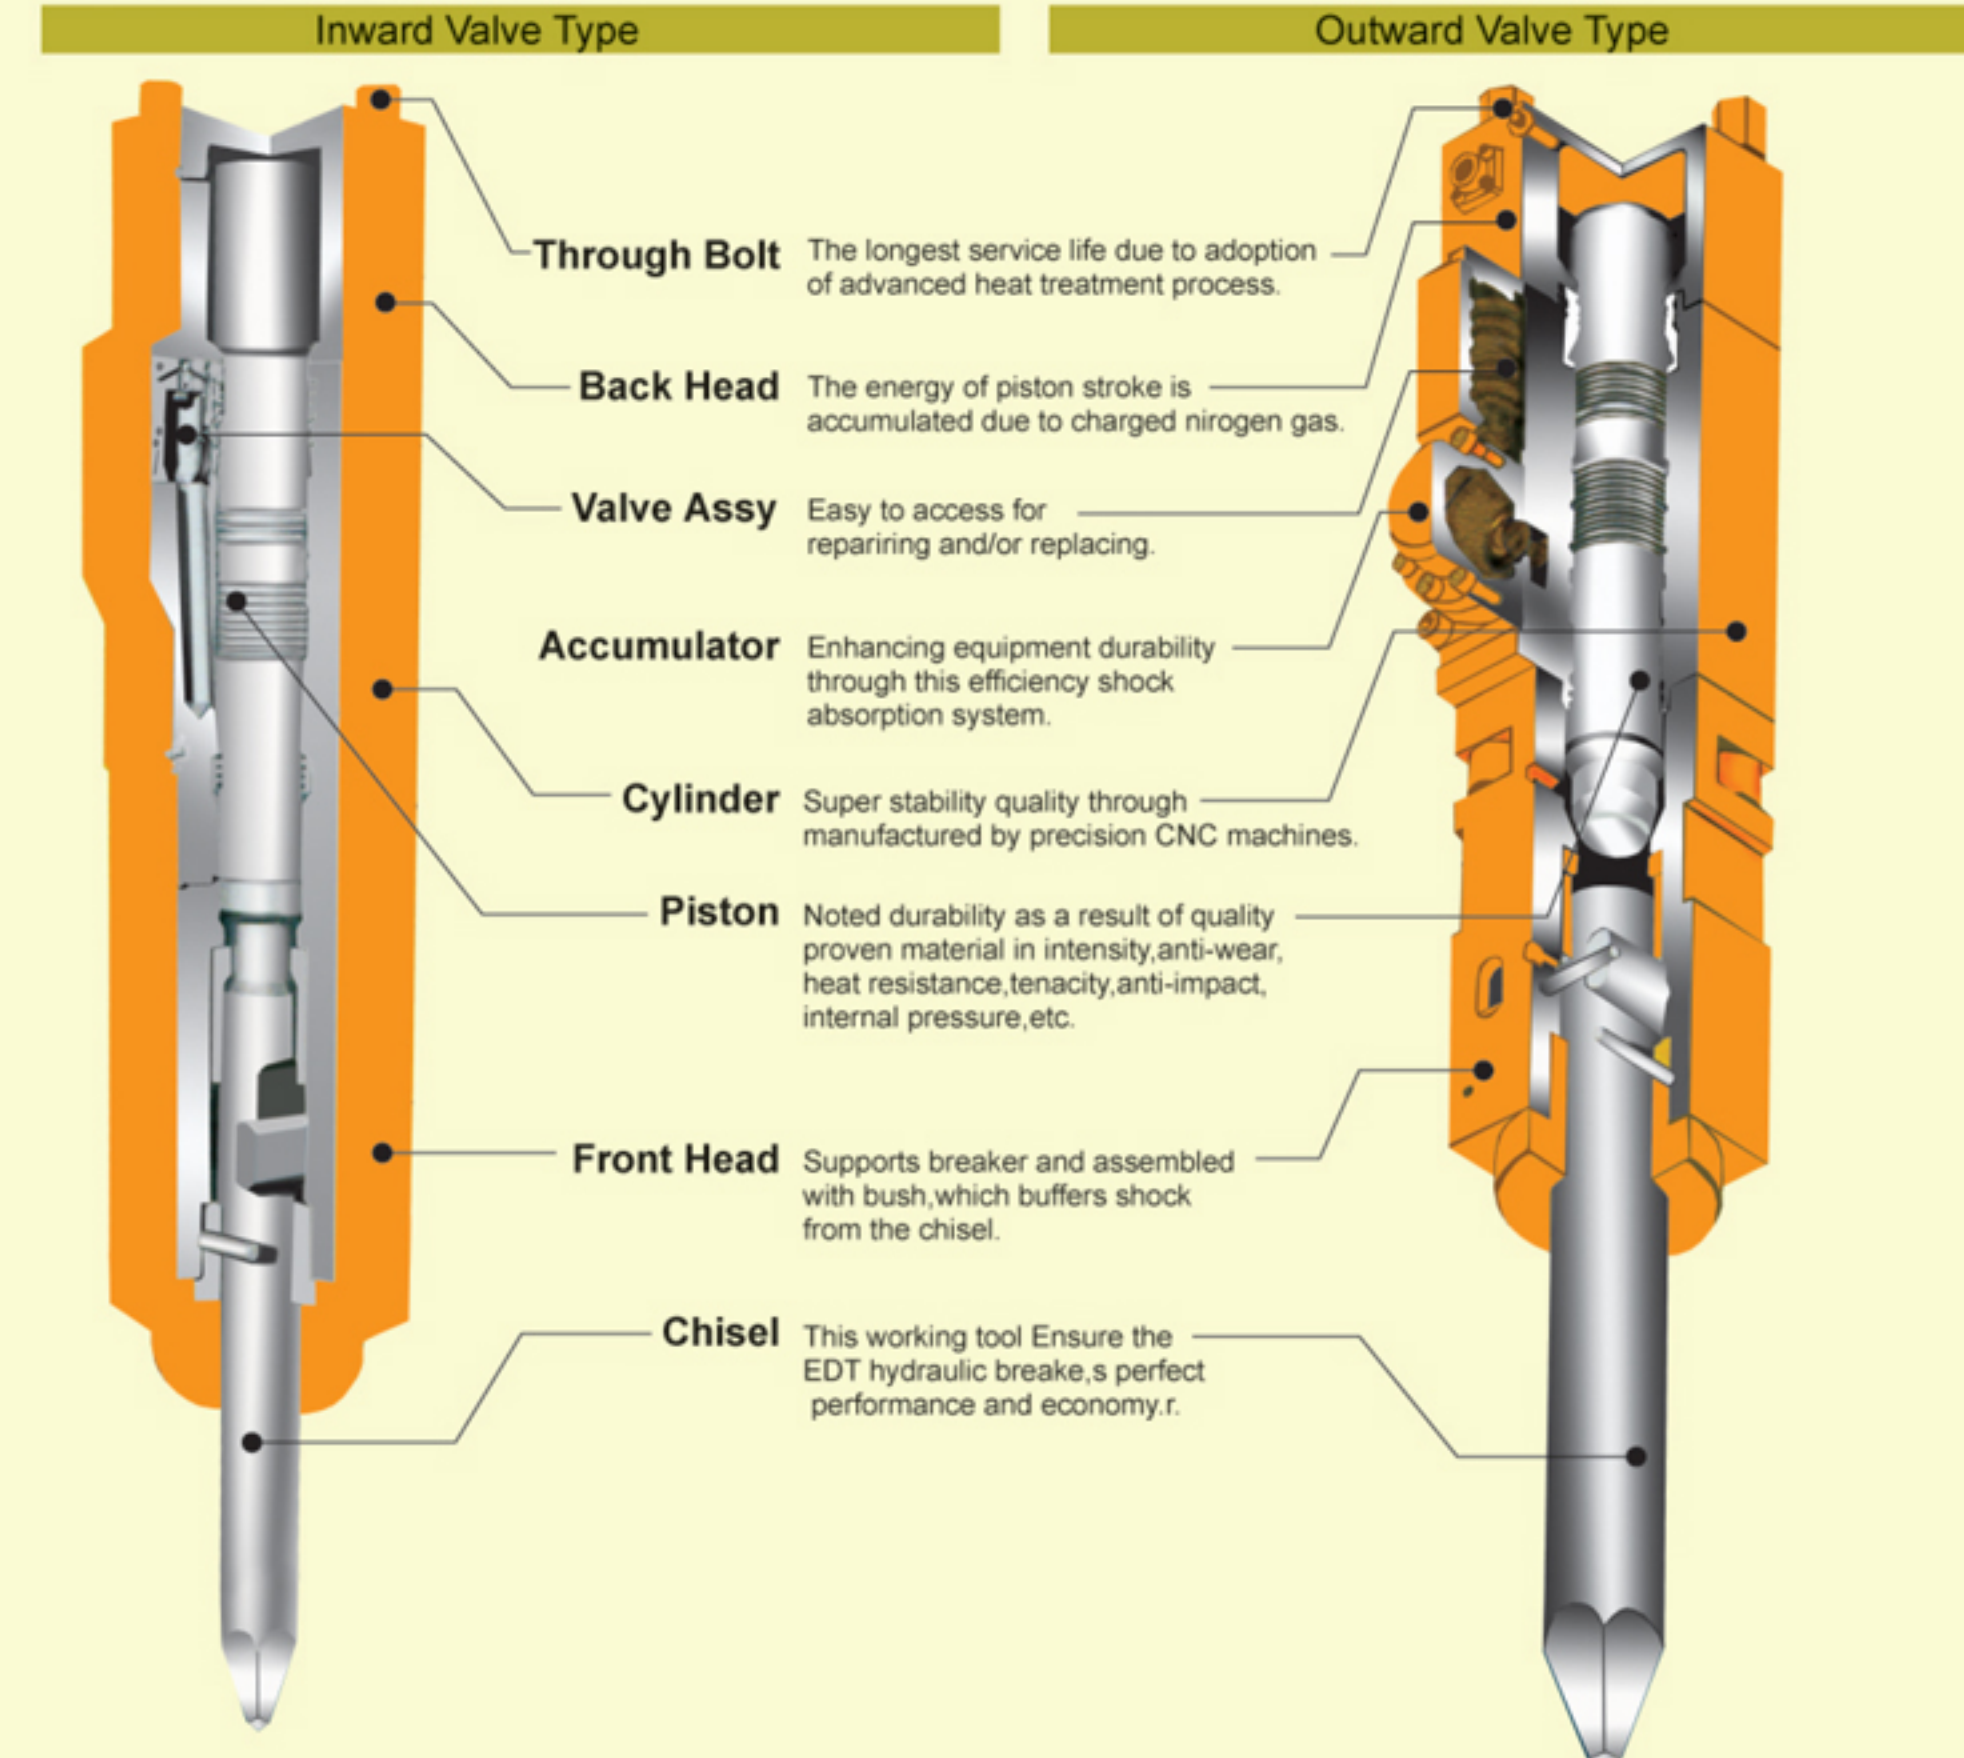

Our "EDT" (Eddie Technology) brand is proudly represented by the "F" logo representing to everyone that our customers always come FIRST. We believe that success can be achieved by being the industry leader in providing customers with products of unsurpassed quality coupled with the highest level of service and support. Buying a "EDT" brand breaker buys you performance, quality and value plus additional peace of mind benefits. We were certified to ISO9001 and CE certificate.

We have over 300 employees currently, factory cover 30,000 square meters which built three workshops which equipped with over twenty advanced CNC machining centers and others special machining equipments.

We have already established overall sales network include domestic and international market, we are one of the top market shares in the domestic market and also we have already exported our hydraulic breakers to several dozens countries.

Innovation, cooperation and credibility is our promise and value, Sincerely welcome our friends, partners like you to join us for creating a prosperous future.

STRUCTURE

CHISEL TYPE	APPLICATIONS
① Moil Point Type (M)	Universal
② Conical Type (C)	Multiple Purpose
③ H-Wedge Type (H)	Trenching, Asphalt, Concrete
④ V-Wedge Type (V)	Trenching, Asphalt, Concrete
⑤ Blunt Type (B)	Boulders Concrete

Light-duty Hydraulic Breakers

- Prolonged life
- Steady performance
- Reliable after-sales service
